EMPLOYEE IMMUNIZATION EXEMPTION FORM

Exemption

I have read information concerning the vaccines and understand that I may be at risk of getting a vaccine-preventable illness from an unvaccinated student or staff member. However, I am choosing to decline vaccination at this time. By declining vaccination, I understand that I am at risk of getting a vaccine-preventable illness.

I understand that in the event of a vaccine-preventable disease outbreak, I may not be allowed to work during the outbreak. Some outbreaks may last more than two weeks. I decline the following vaccines at this time (check all that apply):

Vaccine	Medical	Personal
Hepatitis B		
MMR		
Tdap/Td		
Varicella		
Influenza		

Staff Signature

Date (mm/dd/yyyy)

CERTIFICATION

I certify that the immunization information provided is correct. I give permission to the school district to share immunization information with the Immunization Information System and coordinate healthcare for schools.

Staff Signature

Date (mm/dd/yyyy)

Health Care Provider Signature or Stamp

Date (mm/dd/yyyy)

If you are unable to provide dates you may do one of the following: Provide lab work results (titer test) to Human Resources to prove immunity to Measles(RUBEOLA), Mumps, and Rubella; Get two MMR booster shots 28 days apart and bring in documentation to that effect; or Sign the exemption.

If you have any questions about completing this form, contact Human Resources at ext 1221 or Skagit County Health Department at 336-9380.
