Dear Prospective Volunteer:

Thank you for your interest in the Anacortes School District! We are fortunate to have an excellent staff and strong history of parent and community participation in our schools. We invite you to join with us to help more than 2,500 children and young adults learn, grow and flourish as academic students and responsible individuals.

With seven different sites and locations, the volunteer needs and opportunities within the district are quite varied. While most take place in the schools during school hours, others may involve evening meetings and events or outside field trips. Whether it's a one-time special event, tutoring in small groups, working in the classroom, chaperoning a field trip, joining the school PTA, or serving on a committee, we welcome your involvement.

Your time commitment depends on you and we will work with you to find the best fit based on the time you have and the talents you are willing to share. The first step is to fill out a volunteer application, so we may learn more about your particular interests and skills. All information is completely confidential. If you have any questions, please contact Jayne Branch, the district's volunteer coordinator, at (360) 293-1234.

We love our school volunteers and we hope you'll join our staff and fellow volunteers who truly make our schools a better place to learn and great place for students and staff to be.

Sincerely,

Chris Borgen  
Superintendent
